

## **Membership with Lions Protheses Centre (Singapore)**

Membership is opened to all operating chartered Lions Clubs in Singapore which are registered societies under the Societies Act (Cap 311) Singapore. A Lions Club wanting to join LPC has to submit copies of the respective Clubs-members' resolution to the Honorary Secretary, Lions Protheses Centre (Singapore) via email to [gohboohan@yahoo.com.sg](mailto:gohboohan@yahoo.com.sg). Management Board approval will be sought for the approval of Membership.

There is no entrance fee nor subscriptions payable by members. While there is no specific commitment expected of LPC members, we do believe that they should be supportive of LPC objectives which are:

1. To provide free or subsidised prosthetic limbs to low income amputees to enable them to:
  - a) enjoy a better quality of life
  - b) not be dependent on wheel-chairs or crutches for limited mobility
  - c) make a living wherever possible
2. Provide awareness of diabetes prevention programs to the community

Support from members is on voluntary basis to assist in the operation of LPC by serving as Board Members, Sub-Committees members, or participate as volunteers in events or projects.

The cost of LPC operation is from donations and fund raising. Members are welcomed to lend their support with donations or assist in fund raising, both entirely on voluntary basis.
